

2022 CHS SUNBASIN GROWERS FINANCING AND PREPAY PROGRAMS

Producers can be considered for multiple credit programs with a single application.

Autumn Rewards

Provides financing for the following products:

Seed - supported brands include Allegiant®, DEKALB & Asgrow®, Brevant™, Credenz® & NK®

Chemistry - supported brands include BASF®, Bayer®, Corteva®, FMC®, Syngenta® & Valent®

CHS Branded Products - supported products include CHS branded adjuvants, micronutrients, seed treatments, PGRs & inoculants

- AA & A loans qualify for Autumn Rewards: 0% fixed interest rate by December 15, 2021; 1.9% by January 15, 2022; 2.9% after January 15, 2022 (no loan fee)
- Maturity: December 15, 2022.

Fall Fertilizer and Fumigant

Provides financing for fertilizer, fumigant and application costs on fields applied between 9/1/2021 to 12/31/2021.

- 0% interest until 3/15/2022, if loan is not paid by 3/15/2022 it will roll into CHS Capital Input Loan, with variable interest currently at 6.5% and due date of 1/15/2023.
- To qualify, must book 10% of financed amount in CHS Branded products for Spring 2022 use.
- AA & A loans qualify

Prepayment Program

We continue to offer our generic prepayment program. Earn 2.25% APR interest credit, based on remaining prepay balance at the end of each month. Product specific prepays do not qualify.

CHS Crop Inputs

Provides financing for inputs purchased from CHS not covered in other financing programs

- Current rate 6.5% AA & A; 8.5% B variable interest rate until maturity.
- Maturity January 15, 2023
- \$200 loan fee

Financing Document Requirements

Documents and security includes loan application/promissory note, junior lien or higher (crops, feed, livestock, machinery & equipment)
